

US 60 (Phoenix-Wickenburg Hwy)

ADVISORY

March 2009

Calamity Wash bridge widening

Lane restrictions on bridge in April

The westbound US 60 lanes over the Calamity Wash bridge will be closed to traffic during the month of April for work related to the widening of the bridge. Westbound traffic will be detoured to the eastbound lanes, where traffic in both directions will be restricted to one lane to provide a safe work zone. The Calamity Wash bridge widening is part of the widening of US 60 between milepost 111.13 to 112.77.

Drivers are encouraged to give themselves extra travel time and to be prepared to slow down approaching the work zone.

While ADOT strives to inform the public about planned roadway restrictions, during any complex construction project, there is a possibility that unscheduled closures or restrictions may occur. Please visit ADOT's Travel Information Web site www.az511.gov for the most current information about planned restrictions in the area.
