

US 93 Roadway Improvement

Wickenburg Highway – milepost 192.4 to milepost 193.8

The Arizona Department of Transportation (ADOT) and Grady's Quality Excavating, Inc. began roadway improvement along Wickenburg Highway/US 93 from milepost 192.4 to milepost 193.8 and at the junction of US 93 and SR 89, just northwest of Wickenburg. Construction began in early April 2009 and is anticipated to be complete by July 1, 2009.

This project consists of milling and repaving the existing roadway, adding new signage, installing guardrail, and striping new pavement markings. Crews will begin work on the south end of the project and move their way north to the junction of US 93 and SR 89. Both day and night construction work hours are anticipated throughout the project.

The roadway will be closed to one lane with flagmen and/or pilot cars escorting motorist through the project area. Motorist are asked to be cautious of construction personnel, obey all posted speed limit signs and be alert for construction vehicles and signage while traveling through the construction zone.

For more information please call the toll-free project hotline at 1-888-887-0565.
